Article of Evidence #8: Interviews

For years, the most popular podcast for Ruby programmers was The Ruby Rogues, which is still quite prominent. I have been featured in three different episodes of The Ruby Rogues, as well as My Ruby Story, a more biographical interview podcast produced by the same organization as The Ruby Rogues.

Episode 207, Rebuilding Rails: https://devchat.tv/ruby-rogues/207-rr-rebuilding-rails-with-noah-gibbs/

Episode 199, Deployments: https://devchat.tv/ruby-rogues/199-rr-deployments-with-noah-gibbs/

Episode 362, Measuring Performance: https://devchat.tv/ruby-rogues/rr-362-measuring-ruby-performance-with-rails-and-discourse-with-noah-gibbs/

My Ruby Story #43, Noah Gibbs: https://devchat.tv/my-ruby-story/mrs-043-noah-gibbs/
